Notes:

Change orders will be quoted separately and added to the scope of this project as agreed to by customer and Recreational Concepts.

Customer shall be responsible for security, as needed, to prevent vandalism and/or damage of any type to the surface during the installation process, curing time, and after the installation is completed.

ROCK CLAUSE: If rock is encountered while drilling, and no rock has been reserved in advance of the installation, and it becomes necessary to bring in special equipment to drill holes, a rock charge will be applied.
