Engineering Projects Report March 7, 2019

Project	Current Status	Dates
127 South Utility Relocation	(No Change) The TDOT bid letting has been placed on hold by the Commissioner of TDOT.	
Northwest Connector Phase 3	The Acquisitioner is discussing condemnation with the City Attorney and City Staff for the remaining parcels. The acquisitions should be completed soon. TDOT currently has the bid letting scheduled for 2025. We have been told that this is a parking date and the project will be moved into their 3 year budget once the ROW has been acquired.	Bid Letting 2025
Northwest Connector Phase 2	We have received the written approval to acquire property but have not been turned loose to start the process. Gresham Smith and Partners will be recommended at the April meeting for design services creating the legal descriptions and the exhibits for acquisitions. TDOT currently has the bid letting scheduled for 2025. We have been told that this is a parking date and the project will be moved into their 3 year budget once the ROW has been acquired.	Bid Letting 2025
Downtown Sidewalks	An onsite meeting was held with the Engineer and a future meeting in is in the works with the TDOT ADA coordinator. The City has been given the notice to proceed on the NEPA document. City Staff has forwarded information on the street lighting to VEC and they are making a comparison of their standard lighting with the lighting fixtures that were originally designed.	Award Bid February 2020
Brookhaven Subdivision and Highland Lane Waterline Upgrade	The Engineers are finalizing the hydraulic calculation and will be submitting the plans to TDEC for approval.	Construction Start Spring of 2019
Old Lantana Road, County Seat and Southbend Waterline Replacement	(No Change) The plans have been reviewed and returned to the Engineer. Easements will be required as we move forward with this project. A construction start date will be established once the easements are acquired.	
Bridges for Trails at Meadow Park	The Engineering Department is obtaining prices for the reinforcing steel.	
Quail Hollow Court	The Exhibit "A" document required for the sale of the property will be updated when the Airport Layout Plan updated during the next year.	
2017 Water Treatment Plant Upgrades	All work has been completed and a final close out change order is on the City Council agenda.	Construction Complete August 2018
Main Street and Lantana Traffic Signal Replacement	The design phase is complete and approved. The City has been given notice to start the Right Of Way process and Right of Way plans have been submitted to TDOT. The project will not require additional property or easements.	Bid Award October 2019
Fourth Street and West Avenue Traffic Signal Replacement	The Engineers are coordinating with the overhead telecommunication companies for different alternatives of relocation. The design is progressing.	Bid Award September 2019
Airport Pavement Rehabilitating	A preconstruction meeting is being scheduled for the first week in April. The schedule will follow.	Unknown schedule
2017 Sewer Rehab	The Contractor has completed all construction work and he lacks post video inspection and new video line inspection. The same contractor is gathering video for the CDBG project and we are pushing that work more so than this project. Rainfall and freezing weather stops all video work.	Construction Complete February, 2019
Meadow Park Water Filtration Plant Sewer Project	The plans are completed and will be submitted to TDEC this month. The funding source must be decided before easement acquisition is started.	Schedule will be forthcoming
Raw Water Study	All of the requested information has been turned over to the Engineers. The Scope for the masterplan is on the agenda for approval.	
2017 Wastewater Treatment Plant Improvements	(No Change) All major work is complete and the Contractor is completing the painting as a final punch list item.	Construction Completion September 18
Garrison Park	All playground equipment has been installed. The contractor started the installation of the playground surface but cold weather has stopped the installation. The building contractor has the building in the dry and has installed about 70% of the sidewalk. Change order 1 is on the agenda for approval with a time extension and a monetary value for the rock excavation and unsuitable soils found under the building.	Completion May 19
Meadow Park Pavilion	This project will be advertised for bids this month.	
Airport Tree Removal	The obstruction information has been delivered to the City. Staff is developing a plan for removal on City property and notifying TDOT with a schedule for the tree removal.	
Catoosa 127 North Water Tank	The City has started the acquisition process for the property.	
Centennial Park Trail Rehab	The plans have been completed and turned over to the Street Department for the base work. The asphalt placement will be bid for a July award.	
CDBG 2018 Sewer Project	The Engineer currently has a Contractor video inspecting the gravity sewer for this project. Approximately one third of the project has been videoed.	
Underwood Street Sidewalk	Acquisition documents have been turned over to the City attorney so that City Staff can negotiate the acquisitions.	

Private Developments

The Gardens Phase 8 Subdivision Plat 2	Water and sewer installation is complete and the City has accepted the utilities. Road work has not been started.
Waverley Place and Tree House Plantations Subdivision	(No Change) The Developer is looking at different development options. This development may change in type, shape and name. Water and sewer plans have been submitted to TDEC and the TDEC approval has expired.
Crossroad Village Subdivision Phase 3	The developer has completed about 90% of the water and sewer installation. Road work has not been started.
Crossroad Village Subdivision Phase 4	This phase is complete.
