

Office of the Mayor

Crossville, Tennessee

Proclamation

Ollie Fugere
Student of the Month
February 2026

"Ollie Fugere is always respectful but more than that, Olli participates in class discussions and models positive behavior for others. She's engaged in the content, and she is respectful to her peers and also a leader. She's kind, driven, and always takes initiative. Personally, I have seen great maturity in Ollie. Initially she was very interested in being a part of the school play but then she was cast in a show at the playhouse. Ollie came to me immediately and said, as much as she'd like to be in our school production, she didn't think she could do both and keep her head above water with her school work. That level of respect and self-awareness is a sign of maturity and that's the way a model student approaches school. Even now, though she is in the playhouse cast, she asked if she could come and help out with our production when she's not busy at the playhouse. She has spent time working with students and helping them with lines. Ollie is thoughtful and kind and I believe her respectful approach will take her far!"

"A COMMUNITY OF CHARACTER PARTNER"

FEBRUARY IS "RESPECT" MONTH

"Respect is an attitude of valuing others and willingness to treat others with dignity even when it may not be of benefit to you."

In witness whereof I have hereunto set my hand and caused this seal to be affixed.
