

### **Instructions for MobileEyes Pricing & Commission Worksheet**

<u>NOTE</u>: This tool is for your use and is confidential —DO NOT send/email this pricing spreadsheet to your customer. Copy/paste the completed pricing and hardware sheets into a customized proposal for presentation to the customer.

- Step 1 complete the Customer Bio portion to enable Operations to begin implementation as quickly as possible.
- Step 2 select any Codes required by the customer.
- Step 3 select any Hardware items required by the customer.
- Step 4 complete the ONE product pricing sheet that best reflects the software, hardware, and services needed to address the customer's pain and requirements.
- Step 5 save the file using a unique file name that reflects the customer/prospect name (keep this original file unchanged).

© Copyright TradeMaster, Inc. 2013 CONFIDENTIAL Date: 11/24/2015

<u>Note</u>: The number of travel days = number of training days, plus one.
