Re: Crossville Water/Sewer Dept.
Directional Bore Highway 27 N.- Future Dollar General Store

Tim:

As we discussed by phone, the original bore quote dated May 8, 2013, was priced at a minimum of 45 feet. Billy Martin asked our boring operator to extend the bore further. The final footage was 70 feet @ \$115.00 per LF.

70' @ \$115.00 per LF = \$8,050.00.

Total Due: \$8,050.00

Thank you!
