thank you very much.

We will need main street from east 1st to west 5th and we will need east 4th from main to Thurman closed. Times will be 8am till 2pm. Along with the annual scarecrow festival Alzheimer Tennessee will be having their walk down main street the same day. The event is growing year over year so any help the city could provide would be very much appreciated .

Thank you

There are a lot of things he left undone. The road closure will go on the August agenda. Can you let me know what you want closed and hours of the closure and I'll take care of getting it on the agenda.
