Re: Miox Cell Rebuild Quote

Joe,

Following is the price to rebuild your used Miox cell from the Holiday Hills WTP!

One – Miox C self-cleaning cell rebuild, includes all new internals, anodes, and cathodes, and warranty!

Price \$12,780.00 (I have added the freight to this written quote).

Price includes freight, no taxes, terms are net 30 days.

Price includes a site visit by SOS to calibrate and install the cell.

The price also includes a 20% Good Customer Discount approved by both Miox and SOS.

Thanks!

Respectfully,

Jackson Brownfield
