

DARREN HAMEL

October 13, 2016

This Letter of Commendation is issued to Darren Hamel for heroic actions. On October 12, Darren Hamel saw a kindergarten student choking on a sucker while going home on the school bus. Darren acted quickly and helped dislodge the sucker and stayed beside the student to make sure he was going to be alright. The driver of the bus contacted CCHS Principal Jon Hall about this event and encouraged recognition of Darren's quick thinking and response to assist this student in a dangerous medical emergency. This action reflected Darren's compassion, concern, and leadership and serves as a great example for younger students.
