**Subject: Professional Services Proposal
Supplement for Section II – Northwest Connector (SR 462)
Construction Document Design and Production
Right-of-Way Acquisition Services
City of Crossville
GS&P Project No. 19258.12**

Dear Mayor Graham:

Gresham, Smith and Partners (GS&P) is hereby submitting our fee proposal for services to provide additional right-of-way acquisition services and engineering design services for Section 2 of Northwest Connector (SR 462).

Section 2 of Northwest Connector will be approximately 3400 l.f. It will extend from the end of Section 1 to SR 127 on mostly new alignment according to the completed Preliminary Plans from 2009. We have estimated costs for right-of-way, utilities and construction based on these limits and the five lane section with bike paths and sidewalks as presented in the Preliminary Plans.

Professional Services proposed for this Section 2 include all necessary to take the current Preliminary Plans Set through completed Construction Documents. An updated survey is included to pick up all changes to the existing area since 2008. We have also provided a proposed fee for Right of Way Acquisition according to State and Federal requirements.

All costs being provided to on the following page are for use in your project planning and budgeting purposes.

Honorable J. H. Graham III
