Okay, different school. I don't think we waived the fee for Crossville Christian School. That is the first question I would ask.

Leah, below is the email that was addressed to Val.

Good afternoon,

I am contacting you from Christian Academy of the Cumberlands. We are located at 325 Braun Street, Crossville, Tennessee 38555. Currently, we are preparing a location in order to set up our portable classroom. The physical location of the property is Iris Lane.

In order to continue the project, we are required to have a new water and sewer tap for the portable classroom. Since we are a 501c3 school, is it possible for the fees to be waived? We understand the necessity for this matter to go before the council. We will appreciate any help you can give us in this matter.

In Christ,

Amanda Dearmon
Secretary of CAC
