Re: State Project # - 18008-2221-14
Federal Project# - STP-NH-28(31)
SR-28 (US-127) North of I-40 to near Legion Road
Cumberland County

Dear Ms. Oglesby:

Please consider this letter as a request to consider allowing sewer service be made available to the below listed properties.

<u>Tract #</u>	<u>Address</u>	<u>Name of Property Owner</u>
Tract 26	4502 Highway 127 N	Christian Redemption Center
Tract 128	7487 Highway 127 N	Joshua & Miranda Sherrill 200-0425
Tract 130	7511 Highway 127 N	Cheryl Brown

These properties currently are connected to septic systems. It appears that the septic systems could be impacted by the construction of this roadway project. TDEC requires that if there is sewer available to these properties that TDOT request that they be connected. Attached to this letters are plans sheets with the affected properties identified.

Please advise this office if the City of Crossville will grant these connections. Please also provide the cost involved in providing the connection in regards to the extension of the sewer line as well as any connection, tap, or processing fees.

Thank you in advance for your cooperation in this matter. Please advise if you have any questions or need any additional information.

Yours truly,

Gaylon Hill
