

e. Discussion and action on Holiday Lake water level and maintenance procedures

A policy for water levels and maintenance procedures needs to be updated.

The City Manager is requesting clear procedures on communicating with property owners in the policy.

There were no comments reported from TDEC regarding the matter.

A motion was made by Mayor James Mayberry, seconded by Council Member Danny Wyatt, to approve policy as presented by the City Manager with the following additional specifications:

On an annual basis during the month of April, the City Council will review the policy to drop lake level no more than 4 ft. for property maintenance during the months of October, November and December (ending no later than February) assuring there is no conflict with Lake Tansi lake level procedures. This will be effective October 2018. The motion carried by the following vote:

Aye: 5 - Council Member J. H. Graham, Danny Wyatt, Pamala Harris, Council Member Scot Shanks and James Mayberry

f. Discussion and action on application to AARP Network of Age-Friendly Communities

Based on information provided at the TML Conference and follow up information provided by AARP, Mayor Pro Tem Graham believes Crossville would be a good candidate for application to AARP's program, Age Friendly Communities. Mr. Wood has contacted the regional coordinator and he stated the City has already completed phase one and two of the program through The Horizon Initiative. There are no costs associated with the application.

Membership in the network reflects that a community's elected leadership has made the commitment to actively work toward making their city a great place for people of all ages.

Benefits of the free membership are:

- *Access to global network of participating communities, as well as aging and civil society experts*
- *Access to key information about the program, such as the latest news and information about best practices, events, results, challenges, and new initiatives*
- *Opportunities for partnerships with other cities, both domestic and international*
- *Mentoring and peer review evaluation by member cities*
- *Public recognition of the community commitment to become more age-friendly*
- *Speaking engagements at conferences and events hosted by AARP and promotion through AARP's media channels.*

Representatives from AARP will be in Crossville on Friday, August 17 at 1 p.m. in City Hall Conference Room 317 to discuss the application process. The meeting is open to the public.

A motion was made by Mayor Pro-tem J. H. Graham, seconded by Council
