Valerie,

Keep this for an attachment for the agenda when EMA requests the F150 in the budget. They are supposed to get with Chris or Mike and get it inputted into our system.

Mr. Wood,

Travis Cole with EMA asked that I confirm to you Cumberland County's commitment on the purchase of a new pick-up for their department.

The County has appropriated an amount not to exceed \$17,500.00 for the vehicle. This represents approximately one-half of the purchase price. Also, my understanding is that the vehicle will be purchased through a State of Tennessee purchasing contract.

Please let me know if you require any further information.

Thank you,

Nathan
