

Office of the Mayor

Crossville, Tennessee

Proclamation

Dylan Mckie

Student of the Month

March 2026

"Dylan is the embodiment of fairness. He is kind and fair to all his peers. He is a leader in his house at school and works to include and treat all of his house members equally. In class he talks to everyone and makes it a point to be friendly to all students he is around, not just his close friends. He makes everyone feel welcome and goes out of his way to do so. He is always one of the first people to step up to help a teacher or another student. He demonstrates an understanding that fairness means helping all students feel included and successful."

"A COMMUNITY OF CHARACTER PARTNER"

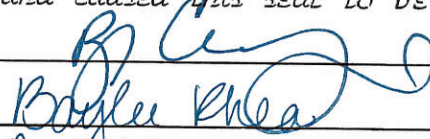

MARCH IS "FAIRNESS" MONTH

"Fairness is concerned with actions and processes that are morally right, honorable, and equitable."

In witness whereof I have hereunto set my hand and caused this seal to be affixed.
