Mr. Greg Wood, City Manager
City of Crossville

Dear Mr Wood:

The Cumberland County High School Cheerleading Squad is a highly energized, spirited group of students who support the CCHS Athletic Department as well as a variety of other school organizations in an attempt to promote school spirit among the students and faculty. The CCHS Cheerleaders are also very involved in the community. They volunteer at the Annual Fly-In, the City of Crossville's Employees children's Christmas party (dressed as Disney princesses), Relay for Life, and the Special Olympics to name a few. Our community is always wonderful in supporting us and we want to give back in any way we can. With that being said, **we are very excited to announce that the CCHS Cheer Squad has qualified to compete in the National Cheer Competition at the ESPN Sports Arena in Orlando, FL on February 8-10, 2019.**

We have practiced all summer and fall in preparation for this event. We recently won the TN Extreme Regional Championship and placed 2nd at the TSSAA State Championship against teams across the state of Tennessee to receive an invitation to the Nationals Championship. We realize that this is an excellent opportunity for us to represent CCHS, the City of Crossville, and Cumberland County at a national competition. We feel that this is an extremely high honor, and we are proud to represent our school and our community.

In order for our team to make this trip, we will need financial support to pay for travel, lodging, meals, and entry fees. We have 23 amazing young ladies on our team. The total amount needed for our squad to attend this competition is \$20,713.00. We have raised close to 65% of what we need to attend this event. In 2018 you were generous in your donation to us. The purpose of this letter is to ask if it would be possible for the City of Crossville to make a \$1000 donation to our squad once again.

Again, we are grateful for your support and for helping us make this opportunity a reality for our squad!

Sincerely,
Coaching Staff
