

September 17, 2019

Crossville City Council,

We are gearing up our plans for our annual Christmas Festival set to take place December 6, 2019. Due to limited parking on-site, in the past we have partnered with Rural King to use their Parking lot. Our primary concern is the safety of the Community. There is not a safe passage from Rural King to our campus. We feel the safest route for families to access our campus from Rural King would be to close off a lane of West Avenue for about 100 yards between the Rural King entrance and our Office entrance on West AVE. In the past, we have done this with much success. We feel taking this precaution will be the best option to keep families safe as they access our property.

Thank you for your time, and I look forward to your response. You may contact me at (931) 787-9782 with any questions or concerns.

Thank You,

David Keyes, Operations Director  
Cumberland Fellowship Church
