The audit contract between the Grantee and the licensed independent public accountant shall be on a contract form prescribed by the Tennessee Comptroller of the Treasury. Any such audit shall be performed in accordance with generally accepted government auditing standards, the provisions of OMB Circular A-133, if applicable, and the *Audit Manual for Governmental Units and Recipients of Grant Funds* published by the Tennessee Comptroller of the Treasury. The Grantee shall be responsible for reimbursement of the cost of the audit

prepared by the Tennessee Comptroller of the Treasury, and payment of fees for the audit prepared by the licensed independent public accountant. Payment of the audit fees of the licensed independent public accountant by the Grantee shall be subject to the provisions relating to such fees contained in the prescribed contract form noted above. Copies of such audits shall be provided to the designated cognizant state agency, the State Granting Department, the Tennessee Comptroller of the Treasury, and the Department of Finance and Administration and shall be made available to the public.

- D.17. Procurement. The Grantee shall maintain documentation for the basis of each procurement for which reimbursement is paid pursuant to this Grant Contract. In each instance where it is determined that use of a competitive procurement method is not practical, supporting documentation shall include a written justification for such decision and non-competitive procurement. Further, and notwithstanding the foregoing, if such reimbursement is to be made with funds derived wholly or partially from federal sources, the determination of cost shall be governed by and reimbursement shall be subject to the Grantee's compliance with applicable federal procurement requirements.

The Grantee shall obtain prior approval from the State before purchasing any equipment under this Grant Contract.

- D.18. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this agreement shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.

- D.19. Independent Contractor. The parties hereto, in the performance of this Grant Contract, shall not act as employees, partners, joint venturers, or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

The Grantee, being a political subdivision of the State, is governed by the provisions of the Tennessee Government Tort Liability Act, *Tennessee Code Annotated*, Sections 29-20-101 *et seq.*, for causes of action sounding in tort. Further, no contract provision requiring a Tennessee political entity to indemnify or hold harmless the State beyond the liability imposed by law is enforceable because it appropriates public money and nullifies governmental immunity without the authorization of the General Assembly.

- D.20. State Liability. The State shall have no liability except as specifically provided in this Grant Contract.
- D.21. Force Majeure. The obligations of the parties to this Grant Contract are subject to prevention by causes beyond the parties' control that could not be avoided by the exercise of due care including, but not limited to, natural disasters, riots, wars, epidemics, or any other similar cause.

Said termination shall not be deemed a breach of contract by the State. Upon receipt of the written notice, the Grantee shall cease all work associated with the Grant Contract. Should

such an event occur, the Grantee shall be entitled to compensation for all satisfactory and authorized services completed as of the termination date. Upon such termination, the Grantee shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.

- E.4. State Interest in Equipment. The Grantee shall take legal title to all equipment and to all motor vehicles, hereinafter referred to as "equipment," purchased totally or in part with funds provided under this Grant Contract, subject to the State's equitable interest therein, to the extent of its *pro rata* share, based upon the State's contribution to the purchase price. "Equipment" shall be defined as an article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds \$5,000.00.

As authorized by the provisions of the terms of the Tennessee Uniform Commercial Code — Secured Transaction, found at Title 47, Chapter 9 of the *Tennessee Code Annotated*, and the provisions of the Tennessee Motor Vehicle Title and Registration Law, found at Title 55, Chapter 1 of the *Tennessee Code Annotated*, an intent of this Grant document and the parties hereto is to create and acknowledge a security interest in favor of the State in the equipment and/or motor vehicles acquired by the Grantee pursuant to the provisions of this Grant document. A further intent of this Grant document is to acknowledge and continue the security interest in favor of the State in the equipment or motor vehicles acquired by the Grantee pursuant to the provisions of this program's prior year Grants between the State and the Grantee.

The Grantee hereto grants the State a security interest in said equipment. This agreement is intended to be a security agreement pursuant to the Uniform Commercial Code for any of the equipment herein specified which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code, and the Grantee hereby grants the State a security interest in said equipment. The Grantee agrees that the State may file this Grant Contract or a reproduction thereof, in any appropriate office, as a financing statement for any of the equipment herein specified. Any reproduction of this or any other security agreement or financing statement shall be sufficient as a financing statement. In addition, the Grantee agrees to execute and deliver to the State, upon the State's request, any financing statements, as well as extensions, renewals, and amendments thereof, and reproduction of this Grant Contract in such form as the State may require to perfect a security interest with respect to said equipment. The Grantee shall pay all costs of filing such financing statements and any extensions, renewals, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements the State may reasonably require. Without the prior written consent of the State, the Grantee shall not create or suffer to be created pursuant to the Uniform Commercial Code any other security interest in said equipment, including replacements and additions thereto. Upon the Grantee's breach of any covenant or agreement contained in this Grant Contract, including the covenants to pay when due all sums secured by this Grant Contract, the State shall have the remedies of a secured party under the Uniform Commercial Code and, at the State's option, may also invoke the remedies herein provided.

The Grantee agrees to be responsible for the accountability, maintenance, management, and inventory of all property purchased totally or in part with funds provided under this Grant Contract. The Grantee shall maintain a perpetual inventory system for all equipment purchased with funds provided under this Grant Contract and shall submit an inventory control report which must include, at a minimum, the following:

The Grantee shall tag equipment with an identification number which is cross referenced to the equipment item on the inventory control report. The Grantee shall inventory equipment annually. The Grantee must compare the results of the inventory with the inventory control report and investigate any differences. The Grantee must then adjust the inventory control report to reflect the results of the physical inventory and subsequent investigation.

The Grantee shall submit its inventory control report of all equipment purchased with funding through this contract within thirty (30) days of the Grant Contract end date and in form and substance acceptable to the State. This inventory control report shall contain, at a minimum, the requirements specified above for inventory control. The Grantee shall notify the State, in writing, of any equipment loss describing reason(s) for the loss. Should the equipment be destroyed, lost, or stolen, the Grantee shall be responsible to the State for the *pro rata* amount of the residual value at the time of loss based upon the State's original contribution to the purchase price.

Upon termination of the Grant Contract, where a further contractual relationship is not entered into, or at another time during the term of the Grant Contract, the Grantee shall request written approval from the State for any proposed disposition of equipment purchased with Grant funds. All equipment shall be disposed of in such a manner as parties may agree from among alternatives approved by Tennessee Department of General Services as appropriate and in accordance with any applicable federal laws or regulations.

E.6. Airport Assurances from Sale or Disposal of Land, Properties, Structures or Materials Related to Airport.
