To: Whom it may concern

We are writing to request a variance for sub-surface septic testing on property at 3326 Highway 70 North Crossville TN. 38571 due to the fact that we already have an existing working septic system. We would also like to request a variance for road frontage as well due to the plans in the future to combine all property back together with this being the reason there is no flag lot. If any questions or concerns you may reach me by email @ skeener92@yahoo.com or phone @ (931)787-3728 We would like to thank you in advance for your consideration in this matter.

Sincerely,
Stephanie and Jimmy Keener Jr
