April 6, 2016

Mr. Heath Blaylock
Storm Water Coordinator
392 North Main Street
Crossville, TN 38555

Dear Mr. Blaylock:

As requested in your email dated April 6, 2016, I have developed a not-to-exceed cost to collect and process benthic macroinvertebrate invertebrates according to Tennessee Department of Health and Environment 2011 SOP's from seven locations in the vicinity of Crossville, Tennessee. I have also included the cost for report preparation.

JOB	NO. OF UNITS	COST/UNIT	TOTAL
Mobilization and Meter Calibration: (Biologist)	4 hrs.	\$47.50/hr.	\$190.00
Travel and Field Collection: (Principal Scientist)	12 hrs.	\$82/hr.	\$984.00
Travel and Field Collection: (Senior Biologist)	12 hrs.	\$65.50/hr.	\$786.00
Travel and Field Collection: (Biologist)	12 hrs.	\$47.50/hr.	\$570.00
Travel and Field Collection: (Biological Tech)	12 hrs.	\$30/hr.	\$360.00
Field Chemistry			\$50.00
Benthic Macroinvertebrate Sample Analyses	7 Samples	\$375/sample	\$2,625.00
Mileage	100 miles	\$0.55/mile	\$55.00
Data Management	8 hrs.	\$65.50/hr.	\$524.00
Report (Principal Scientist)	24 hrs.	\$82/hr.	\$1,968.00
TOTAL NOT-TO-EXCEED			\$8,112.00

If you have any questions I can be reached at 931-268-6035 or pail@twlakes.net.

Sincerely,

Wendell Pennington
