

Mr. Wood

2-10-21

This is Jim Bryson. I am buying a piece of property that has a lien from the city on it, "\$450". The people that has inherited the property some are under age still. No mother - father or Grand parents. It has a house on it and I'm going to tear it down for new apartments. I am asking you to waive the lien for these kids. I will pay it if you don't

THANK YOU  
Jim Bryson
