

January 31 2013

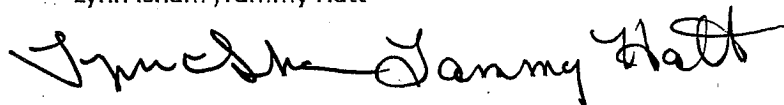

Council members.

We are writing to ask for your help hosting the second annual benefit for St.Judes childrens Hospital . It costs the hospital one point eight million dollars a day to stay open and if the paitents do not have the money to pay they do not charge them .That is where St.Judes needs everyones help by having benefits and sponcerships and fund raisers to keep the doors open for the needy children.The point of this letter is to ask your permission to use Main street from E. First down to Taylor St. on May the 25 th 2013 from aprox. 10 am till aprox 8:00 pm.and also the Sprint broadband stage. And extra security for the donations barrels. This years theme will be the same as last years Musicians for St. Judes Childrens Research Hospital. A verity of local entertainment from country , gospital and bluegrass will be provided all day at no charge this is strictly donations and all the donations will go to St.Judes. There will be represenitives from St. Judes to help with the event and take the donations back to Memphis Tn. Also asking local churches and orginations to help with food and bake sales donations and help.This is all volenteer work. Enclosed is some of the info from last year.Any other suggestion will be great.

Thank you Very Much,

Sincerly.

Lynn Isham ,Tammy Hatt

Dear Tammy Hatt:

Thank you for hosting a Special Event for St. Jude™. Special Events for St. Jude encompass a variety of fun, volunteer-based community or group events that raise money for St. Jude Children's Research Hospital. The program is very flexible, and events may consist of garage sales, dinners, bowl-a-thons, car washes, and many other events. According to our records, your Special Event for St. Jude is set to take place on May 5, 2012.

Approximately 45 days before your event date, you will receive a kit with your Special Event for St. Jude materials. Included in your kit will be everything you will need to promote and complete your event. It is important to maximize the number of participants in your Special Event for St. Jude. We encourage you to reach out to local clubs, organizations, and businesses in your community to increase awareness and encourage participation in your event.

It is only through volunteers like you that St. Jude can continue to save the lives of children all over the world. St. Jude is a place like no other. We are a hospital where world-class researchers and clinicians work seamlessly to save the lives of children with catastrophic diseases through the integration of cutting edge research, innovative treatment protocols and compassionate family-centered patient care. St. Jude is a place where our main measures of success are better outcomes for patients, positive feedback from families and cutting edge research that defines the treatment of tomorrow. St. Jude is the only pediatric cancer research center where families never pay for treatments that are not covered by insurance. No child is ever denied treatment because of the family's inability to pay. We share our research and protocols with physicians and hospitals worldwide. Working together, our physicians and scientists have pioneered treatments that have pushed the survival rate for acute lymphoblastic leukemia (ALL), the most common form of childhood cancer, from 4 percent in 1962 to ninety-four percent today.

If you have any questions or concerns, please call our Coordinator Support Team at 1-800-457-2444 or visit www.stjude.org/specialevents.

Again, thank you for supporting the children of St. Jude Children's Research Hospital.

Sincerely,

Wilfred Busby, Vice President
ALSAC Call Centers

Panel approves St. Jude benefit concert at Complex **(<http://crossville-chronicle.com/local/x1770113008/Panel-a-approves-St-Jude-benefit-concert-at-Complex>)**

By Gary Nelson
Senior staff writer (<http://crossville-chronicle.com>)

CROSSVILLE — Commissioners on the building and grounds committee unanimously approved the use of the arena at the Cumberland County Community Complex at no charge for a day of music to benefit St. Jude Children's Research Hospital in Memphis.

Lynn Isham of Crossville attended the building and grounds committee meeting last week and requested permission for use of the facility from commissioners.

"These are going to be all volunteers and no musicians at this event are going to be paid. All of the money raised is going to benefit St. Jude Children's Research Hospital," Isham said.

According to the plan, the benefit concert will start around 10 a.m. on Saturday, May 5 and will continue until approximately 6 or 7 p.m. The concert will feature all types of music including bluegrass, gospel, country and rock.

"We have all sorts of local musicians and talent that are coming out of the woodwork to play for this event. St. Jude is going to come up here and help us with the event," Isham said.

He said the Cumberland County Rescue Squad, Cumberland County Fire Department volunteers and Sheriff's Department would help with food, parking and security during the concert at no cost to the county.

"This is going to be a good, clean event and day of fun for the whole family to come out and enjoy," Isham said.

Isham said he hoped the county would allow them use of the arena for that one day at no charge.

Donnie Moody, Community Complex manager, said there were no events scheduled that day in the arena because the annual American Cancer Society's Relay for Life overnight event is scheduled the night before.

"We normally don't have anything that next day after the Relay event," Moody said.

"Well, I don't have anything against this group at all and I know it's for a good cause, but we do charge for families who have benefits there. I know we have in the past," said 7th District Commissioner and

Building and Grounds Chairman Mike Harvel.

"Yeah, but this is different, Mike. This benefits thousands of kids every day and not just one family," said 3rd District Commissioner Johnny Presley.

Isham told the committee that it costs St. Jude more than one million dollars a day to open the doors of its facility.

"They help any and all children at no cost," Isham said.

Terry Carter, 6th District commissioner, made a motion to approve allowing use of the facility for one day at no cost for the St. Jude Children's Research Hospital concert benefit.

Presley supported the motion.

"I can see where it won't cost us much of anything because they won't need use of the lighting. That's where we get into the big cost and this is going to be during the day, so I guess it's all right," Harvel said.

The committee unanimously approved Carter's motion.

Thanks for all the support of St. Jude ^{5/12}

Dear Chronicle:

We and St. Jude's say thank you for all your support on May 5, 2012.

We were really concerned about the weather but we are thankful that it cleared off and the sun shined. But thanks to all the volunteers everything went off very well raising \$2205 the day of the event in the donations barrels. There were a lot of sponsorships that were mailed to St. Jude's, some monthly, some yearly. It is hard to get exact figures on that part. It costs \$1.7 million daily for St. Jude's to operate. I hope in some small way we all made a difference.

We would like to thank the building and grounds committee for listening to us and for the use of the Complex. Donnie Moody and his helpers were all very helpful. Thanks also to the Cumberland County Rescue Squad for the time to serve the free hot dogs and drinks; Jeff and Judy Kirkland for all their hard work in getting the frito banditos donated; and to all of Jeff and Judy's helpers who took the time to serve the people. Thank you Mitch and Sandy Ayers for the 1728 bottles of water, Flower's Bakery for the snacks, and a special thank you to Walmart, Food City in town and in Fairfield, UGO, Kroger and Save-A-Lot for the donations of the hot dogs and buns, and Indian Summer for the mustard.

ST. JUDE

• Continued from 4

Thanks Wink Cagel for the great stage and sound equipment, Thom Hassler for his great work, Billy and Debbie Fraizer with the Crossville Cruzin' and organizing the surrounding counties for the cruise-in. Thanks to the Plateau Corvette Club and all the donations from the club.

Thanks Tex and Loretta VanWinkle for organizing the gospel stage with The Way of the Cross, Tennessee GospelAires, Calvary Baptist Church, Tex and Loretta VanWinkle with Bob Bolin, Pomona GoldenAires, Lighthouse of Praise singers, Robert and Evelyn Carpenter, Aaron Marsee, band director of Crab Orchard and Pine View elementary schools, brought out his students to perform. The country stage with Carrie Hassler, Johnny Moore, Country Classic, Southern Pride, Caney Fork Bluegrass and Pure Country did a GREAT JOB.

Pastor Danny Smith opened the ceremony with words of courage and wisdom. The Crossville Fire Dept. raised the flag. Thanks to Terry Carter and the Cumberland County Fire Dept. for the parking of the cars, Sheriff Butch Burgess and his staff for the security, Chief David Beaty and

staff of the Crossville Police Dept. for security and mingling throughout the crowd. Thanks Lonnie Kilby and staff of the National Guard Armory for the rock wall — everyone had a great time with the wall. Thanks to the good people that donated the bouncy house for the kids, Darcy Smith who organized the hay rides, Plateau Truck and Tractor for the tractor and the Feed Store for the hay, Cumberland County EMS provided medical care; thank the Lord there were no mishaps. Thanks also to Ashley Blankenship (St. Jude's survivor) for getting the sponsors; Jessica Turri, St. Jude's rep, for driving here and giving her presentation; Laura for great advice and many hours on the phone. Thanks to the Crossville Chronicle and all the radio stations and all the business that put up the posters and Flynn Sign Co. and Jack Chadwell for the use of all the signs.

On behalf of St. Jude's Children's Research Hospital, we would like to thank each and every one for donating the time and talents and to everyone that donated.

May God bless each and every one of you.

Lynn and Tammy
