

February 1, 2019

Mr. Tim Begley
City of Crossville
Crossville, TN 38555

Project: Airfield Pavement Rehabilitation
Crossville Memorial Airport
ATKINS Project No. 100060771

Subject: Recommendation for Award of Construction Contract

Dear Mr. Begley:

The project sealed bids were received and read aloud on January 29, 2019, at 2:00pm CDT in the Conference Room at City Hall. A total of four bid packages were received and opened, the results which are as follows:

<u>Contractor</u>	<u>Base Bid</u>
Axtells, Inc.	\$661,452.50
Pavement Restorations, Inc.	\$670,472.50
Rogers Group, Inc.	\$697,472.00
Remac, Inc.	\$715,336.00
Engineer's Estimate	\$657,585.00

Axtells, Inc. submitted the low bid on the project. We have reviewed the bids and have discovered no extension errors associated with the apparent low bid. The low bid was approximately 0.6% higher than the engineers estimate and appears to be a responsive bid.

Axtells, Inc. has experience in working with the type of construction outlined in this project and their references speak highly of their ability to deliver a quality project. Axtells, Inc is also familiar with working in an Airport environment. It is our opinion they fully understand the project scope and are well qualified to complete this project.

We have attached the Bid Tab and assuming all other legal and bonding requirements are met, we recommend this project be awarded to Axtells, Inc. in the amount of \$661,452.50. If you should have any question, please feel free to contact me.

Sincerely,

Jeff Reilly, P.E., PMP
Project Manager
