

## Request Concession Services - Duer Soccer Complex

I, Tonya Swallows along with my adult daughter Nicole Swallows will be in charge of managing and staffing the concession stand. We will also have the ability to bring in other people as needed. I am the founder of Just For Kids Athletics. Along with my then teenage daughter, we successfully managed and staffed Garrison Park concession stand when JFK began.

Exact hours of operation will be determined upon receiving the schedule of events. However, the concession stand will be open from the beginning of the first game, until the last game of the day or night.

I have the ability to financially start up the concession stand and restock until it becomes profitable. Previous knowledge and experience has taught me how to wholesale shop and restock based on need and profitability.

Proof of insurance can be provided upon acceptance of the proposal.
