Following his remarks, Councilman Souza asked to move on to the next agenda item.

This Resolution was received and filed

3. Matters relative to airport property purchase

Councilman Kerley led a discussion on the additional property purchased at the airport. He asked about the two appraisals and why they were different. Mayor Graham explained that the first appraisal seemed low and didn't seem to use the best comparables and the City Manager requested the appraiser to review the comps. After a re-review by the appraiser, he agreed and revised the appraisals. Councilman Kerley read several memos from the files by the Tennessee Real Estate Appraisal Commission, the City Manager, and the City Clerk. He was particularly concerned because it appeared that the Council was not apprised of the first set of appraisals. Councilman Marlow stated that he stood by his vote to purchase the property and that he considered it an asset to the City that is now being partially used by a new corporate hangar. Mayor Pro-Tem Wyatt acknowledged that he didn't support it when it happened, but now believes the second appraisal was correct. Mayor Graham pointed out this property is the only 20 acres between the runway and Hwy 70. City Attorney Chadwell stated that the decision on how much to pay is a Council decision, regardless of the appraisal. He pointed out that there is no fault of the Donnelly family as they determined what they were willing to sell the property for. Further, he reported that all documents had to be submitted to the Comptroller's Office for their approval of the purchase and that he told their office about both appraisals. Councilman Souza stated that he had nothing against the Donnellys at all; however, Dr. Miller stated that it was rejected several years earlier because it was mostly unusable property due to wetlands. Mayor acknowledged that the appraiser, Mr. Randy Buttons, is an acquaintance of his. Mayor Graham stated that Mr. Donnelly came to him with the offer to sell the property. Mr. Adams hired the appraiser. Councilman Souza stated that Aeronautics requires one of their certified appraisers in order to get grants. Mayor Pro-Tem Wyatt stated that he did not have a problem with an investigation, but he was not going to act on such a matter presented to him that quickly. He suggested that the City Manager write a letter to the District Attorney regarding the issue to see if it warrants an investigation. Councilman Marlow commented that he didn't care if it's investigated; however, he does have a problem with the personal attacks and insinuations of wrongdoings. Councilman Kerley stated his concern was over the money wasted. City Attorney Chadwell stated that he was not aware of anything to hide, but if someone had knowledge or evidence of something illegal, they should take it to the Attorney General. Mayor Graham asked that a letter be written to the DA on the matter.

A motion was made by Council Member Pete Souza, seconded by Council Member Jesse Kerley, for a Resolution requesting an investigation into the parties involved in the acquisition of property for Crossville Memorial Airport; whereas, members of the Crossville City Council, based on information and belief, hereby resolve to request a thorough investigation into personal

involvement of individuals relative to the negotiations of said purchase; whereas, documents were provided that misled the City Council in their decision to purchase said property; whereas, the Real Estate Appraisal Commission found error in said appraisal provided by the Council; whereas, a personal acquaintance was used as an appraiser in lieu of a certified airport appraiser required by the Aeronautics Division – Tennessee Department of Transportation; whereas, the initial appraisal was \$228,500 and the purchase price was \$680,000; therefore, it is resolved by the City Council of Crossville, duly assembled, and by authority of same, that the City Manager is hereby directly to formally request the Governor to direct an investigation by the Attorney General's Office, the Office of the State Comptroller General, and the State Ethics Officer and such actions as may be appropriate. The motion failed by the following vote:

Aye: 2 - Council Member Pete Souza and Council Member Jesse Kerley

Nay: 3 - Council Member George Marlow, Mayor Pro-tem Danny Wyatt and Mayor J.H. Graham III

A motion was made by Mayor Pro-tem Danny Wyatt, seconded by Mayor J.H. Graham III, that City Manager turn in the file and write a letter to the District Attorney General asking his opinion to see if it warrants an investigation. The motion carried by the following vote:

Aye: 5 - Council Member George Marlow, Mayor Pro-tem Danny Wyatt, Mayor J.H. Graham III, Council Member Pete Souza and Council Member Jesse Kerley

Councilman Souza asked that he be allowed to meet with the City Manager to make sure that he had all the information before he sent it to the District Attorney General.
