Attention: Crossville City Council

My name is Andy O'Connor, I am the owner of The Lawn Rangers, Inc. I have recently bought the property located at 1973 Hwy 70 East Crossville, TN 38555. We currently have no septic or sewer connection. This property has been divided up over the years & we have not been able to locate a septic tank. I am asking for a variance to be able to connect to the city of Crossville sewer system.

Sincerely,

Andy O'Connor

The Lawn Rangers, Inc.
