Mr. Kevin Dean

City of Crossville

GIS/Planning Administrator

Dear, Mr. Dean

I am the owner of a lot at the corner of Holiday Drive and Dove Drive in the Holiday Hills Subdivision (Plat BK 2, Plat Page 85 Lot 215) I am asking for a 10' variance for the side setback for Dove Ave. I am asking for the variance because I have a drainage issue on the left side of my lot. They are a drain way that feeds water from all the homes behind me down the left side of my lot that limits how far I can move a house off of Dove and still keep acceptable drainage around a home. I will have adequate parking in front of the garage to turn around before entering Dove Drive.

Thank you,
