Additional Consent Items

d. Approval of Waterline Extension on Highway 127 North

The City of Crossville is proposing a two-inch water main extension along the Right-of-Way of US Highway 127 North and the North Main Street Access Road for approximately 405 feet.

Several years ago, a two-inch water line serviced the properties along Highway 127 North from Old Jamestown Highway. The line was abandoned by the City and was replaced as a private service line for Tax Map 87 parcel 050.03. In lieu of replacing the private cross-country line with a public line, the best option would be to extend a two-inch line down the Right-of-Way of North Main Access Road and Highway 127 North to service both properties from the front.

This Resolution was approved as recommended.

e. Approval of grant application for Urban Forester

The City Manager requests permission to apply for the Urban and Forestry Assistance Grant. The City falls within the eligible area. Funds would be used for potentially hiring an urban forester (either on contract or temporary employee) to train Recreation and Maintenance staff in proper care and pruning of trees, establish tree plan for Garrison Park, and work on an elimination and replacement plan for Bradford Pears throughout the City.

This Resolution was approved as recommended.

f. Approval of temporary street closings for Crossville Cruisers

The Crossville Cruisers have submitted applications for cruise-ins April through July 2024. They request the closures on the 4th Saturday from April to July from 12:00 to 4:00 p.m. They request the same approved route for 2023.

This Permit was approved as recommended.

Bids/Purchases**g.** Approval to repair Variable Frequency Drive (VFD) for Holiday Hills Water Treatment Plant

Staff requests retroactive approval to repair VFD unit at Holiday Hills Water Treatment Plant. Repairs were estimated lower than the invoice and total project exceeded the \$25,000 threshold.

This Bids/Purchases was approved as recommended.

The City Council approved an offer in 2020 in the amount of \$210,000 for ±21.8 usable acres for a total acreage of ±25.0 acres on Wyatt Court. The transaction to sell the property never occurred. Bryan Srock is interested in purchasing 6.4 useable acres of the property and offered \$10,500/acre.

A motion was made by Mayor Pro-tem Rob Harrison, seconded by Council Member Art Gernt, to rescind previous action regarding the offer from Forbus Investments in 2020. The motion carried by the following vote:

Aye: 5 - Council Member Art Gernt, Council Member Scot Shanks, Council Member Mike Turner, Mayor Pro-tem Rob Harrison and Mayor R.J. Crawford
