

Parker Woolbright

Student of the Month

February 2020

“When I think of respect, I think of Parker Woolbright. Parker not only shows respect to adults but also to his peers. He seems to always be looking for the best in others. When speaking with other students, he is very patient and kind. He shows others that he cares about them by treating them with courtesy. His actions are a great example of how to show respect.”

A COMMUNITY OF CHARACTER PARTNER

FEBRUARY IS “RESPECT” MONTH

“Respect is an attitude of valuing others and willingness to treat others with dignity even when it may not of benefit to you.”
