City Clerk
City of Crossville
392 N. Main St
Crossville, TN 38555

Subject: R.O.W. Legal Descriptions and Exhibits for SR 462, Northwest Connector

Gresham Smith is pleased to submit the attached contract to provide professional engineering and consulting services for the development of R.O.W. descriptions and exhibits for the City of Crossville. As outlined in the attached scope of services, this project consists of the preparation of the following items for use during the R.O.W. acquisition process:

- Legal descriptions of acquisitions
 - Meets and bounds descriptions for fee simple R.O.W. and permanent drainage easements
 - Square footage areas for slope and construction easements
- R.O.W. acquisition exhibits
 - Assumes one each for fourteen identified tracts
 - Property owner information
 - Meets and bounds for R.O.W. and permanent drainage easements

Gresham Smith is grateful for this opportunity to provide the City of Crossville with this response to the request for engineering services. The Gresham Smith team is available to start work immediately on this very important project and appreciates your consideration. Please do not hesitate to contact us should you have any questions. I may be reached at 865.299.6126 or by email at jason_brady@gspnet.com, or you may contact our project manager, Shap Stiles, at 865.299.6138 or by email at shap_stiles@gspnet.com.

Sincerely,

Jason Brady
Principal
