To whom it may concern:

I am the property owner at 794 Genesis Road. I intend on selling this property. I am requesting for sewer to be extended to my property. The sale of the property is contingent upon the sewer line being extended. However, the implementation of extending the sewer line will be the sole responsibility of the new owner. He will take appropriate measures on or before the transfer of the property. He intends to construct apartments on this property.

Your immediate attention to this matter will be greatly appreciated. Thank you for your consideration.
