Subject: Annexation...

Hi Baylee. Below is the letter to start our Annexation Process. Is this ok? Is there anything else you need? I understand there is no fee to start the process, correct? Where do we go from here? Thank you, /Cheryl & Rich

Re: Property Owner requesting annexation

We, Richard J. Matthew & Cheryl A. Matthew, are the property owners of 42 Canary Drive. We are requesting to annex this property into the City of Crossville.

Upon annexation, we are requesting Sewer & Water for the property, where we currently reside.

Sincerely,

Richard J. Matthew/Cheryl A. Matthew
