Re: 2016 Crossville LPRF Garrison Park Re-Development Project  
Bid Recommendation for Award – Splash Pad

Dear Mr. Sliger:

On February 27, 2018 bids were opened for the splash pad portion of the above referenced 2016 LPRF project. A total of five (3) bids were received. The initial low bidder for the project was Lori Neal and Associates, Inc., but after further evaluation their bid was found to be incomplete and non-responsive to all bid specification requirements. The City publicly advertised for bids, documented by the attached Affidavit of Publication.

The next lowest bid was submitted by Recreational Concepts at an amount of \$327,005.00, with an option to include a UV filtration system for an additional \$16,206.00. The City recommends awarding this contract to Recreational Concepts in the full amount of \$343,211.00. All City procurement policies have been met.

Thank you for the attention given this matter. Should you have any questions or need any additional information, please do not hesitate to give me a call.

Sincerely,

CITY OF CROSSVILLE

James S. Mayberry  
Mayor
