

Honorable Mayor  
City Council

**RECEIVED**

JAN 10 2013

The Crossville Cruiser's would again like to hold our Downtown Cruise on Main St, Apr thru Oct on the 4<sup>th</sup> Sat of each month in 2013. Time would be 12:00 to 5:00 PM. We ask that the Main Street and Side street's be blocked at this time.

Now we are aware that the Downtown Main Street may be having some major repairs during this time. I have talked to Joe Miller and we can work together and

move on North, on Main Street as  
needed so not to be in anyone's way.

Everything else would be as the past two  
years that we have been working with all  
involved.
