Tax Map 125, Parcel 33.02 Corner of Lantana Rd. and Dunbar Rd.
Eldridge Properties

Dear Sally,

I am requesting permission to replace two wooden billboards, on the recently annexed property referenced above, with a modern three sided mono-pole design structure. We propose to install a digital board on the panel facing north toward Crossville.

I have included some renderings in an effort to simulate the completed project.

Let me know if I need to provide any additional information for consideration.

Thanks,

A handwritten signature in blue ink that reads "Tom Flynn".
