

ADA Station Communication

"The solution to all your telecommunication needs"

6-4-2012

City of Crossville City Hall
Subject: 3" and 2" Conduit Installation Quote
Attn: Lee Lawson

Scope of Work

Provide and install the following:

- (7) Conduit Stubs consisting of 3" EMT, conduit support and sweeping elbow in order to feed new Cat 6e Cable, Fiber, 50 Pair, Vol First Single Mode Cable and spare conduit from the ceiling to underneath the raised access floor in the new Server Room.
- Provide and install 30' of 2 way 2" Conduits from the old Demarc Room to the Entry Point Conduit for Vol First and future service providers. One of the conduits will be for spare.

Total Cost \$2,880.00

Thank you for considering ADA Station Communication for this installation. Please call with any questions.

Sincerely,

Jeff Randall
