

October 19, 2017

Crossville City Council,

My name is Cole Van Horn, and I'm the Operations Pastor for Cumberland Fellowship. We have decided this year not to do a Fall Festival, but instead to do a Christmas Festival. Our community has several options for Fall themed events, and we thought it would be something new and exciting for our community, to instead, do something for Christmas this year.

In that regard, we had roughly 4,500 people who attended our Fall Festival last year. Due to limited parking on-site, we have partnered with Kmart to use their Parking lot. Our primary concern at this point is safety. There is not a safe passage from Kmart to our campus. We feel the safest route for families to access our campus from Kmart would be to close off a lane of West Avenue for about 100 yards between the Kmart entrance and our Office entrance on West AVE. There is a turning lane in this location that could be utilized to maintain traffic flow. We feel taking this precaution will be the best option to keep families safe as they access our property.

Thank you for your time, and I look forward to your response. You may contact me at (931) 337-5394 with any questions or concerns.

Thank You,

A handwritten signature in cursive script that reads 'Cole Van Horn'.
