Re: Health Department Plat

Dear Honorable Commissioners:

On behalf of Cumberland County, and with regard to the Plat referenced-above, it is my understanding that Hayes Street is an accepted city street that is paved and maintained by the City of Crossville and with regard to which the City also maintains utilities but that, technically, Hayes Street exists on property of Cumberland County. I understand that Hayes Street shall be dedicated, as indicated on the Plat by virtue of the County execution of the plat. I further understand that the execution of the plat does not obligate the County to anything monetarily. I am formally requesting that the fees associated with the review of this Plat and processing of the same in the approximate amount of \$100.00, be waived by the Commission. Further, I am also requesting that, because of the facts referenced-above, that a variance for a cul-de-sac, if any, be granted with regard to Hayes Street. I ask respectfully that you grant these variances, and I appreciate the cooperation and assistance in this regard.

Sincerely,

CUMBERLAND COUNTY

Kenneth Carey, Jr., Mayor
