

March 25, 2021

Dear City Councilmembers,

We are once again working on putting together the Pro-Troop Rally. It will be held on July 3, 2021 in a abbreviated manner.

We are requesting the block in front of the Courthouse be closed from 10 AM until noon. I will forward a copy of the Courthouse Grounds permission as soon as available.

I have been in contact with DAR and, as always, will coordinate my program with their Parade.

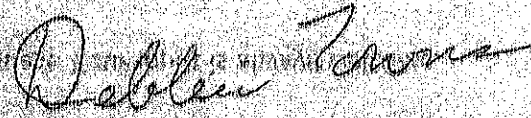

The Veterans attending the Rally always enjoy the Parade.

After the Parade, we will have the City Fire Department Ladder Truck raise the flags on the ladder, and also have a City Police K-9 presentation. They like to use the street, as it gives them more room to operate.

Thanks for your consideration of this request. Your input is always welcome.

God bless you.

God bless America.
