Subject: 787 Peachtree Drive

Kevin

Matt Miller just stopped by to discuss getting water at 787 Peachtree Drive. He said the City told him you need a letter from me saying it's ok for him to run the line since it's in the county.

I seem to recall this has happened in the past and it was determined you didn't need a letter for a utility easement. Parcel info in the pic below.

Allen Foster

Cumberland County Mayor

2 North Main Street, Suite 203

Crossville TN 38555
