Thursday, April 06, 2017

Mr. Wood:

The Crossville Fire Department established an incentive program to recognize outstanding service and achievement of our staff. The quarterly program is designed for fire personnel to nominate their peers for excellence in performance, service, or actions. The nominations are then evaluated by a panel and presented to the Chief for final approval.

This quarter, firefighters nominated **Firefighter/Paramedic Jeremy Mangas** for outstanding service to the community. Firefighter Mangas excels in all aspects of the job and has been instrumental in mentoring recruit firefighters. Mangas has a passion for fire prevention and has been invaluable in the smoke detector campaign as well as teaching fire prevention.

We request that Firefighter Mangas be recognized during the April 11, 2017 regularly scheduled City Council Meeting. We appreciate your consideration of this matter.

Chris South
Deputy Fire Chief
