Re: 2017 City of Crossville Site Development Grant (SDG) Bid Tabulation

Dear Valerie:

The bid tabulation for the above referenced project was received March 14, 2018. A review of the bid tabulation indicates that Robert Clear Coal Corporation at \$848,000.00 is the apparent low bidder. A budget revision must now be submitted to ECD to adjust the construction line item to the actual amount of the bid to be awarded.

This letter also confirms Robert Clear Coal Corporation of LaFollette, Tennessee as an eligible contractor. We have certified that this company does not appear as being debarred on the System for Award Management or the State of Tennessee Debarred Vendors List.

Please notify this office ten days before the scheduled pre-construction conference.

If you have any questions, please call me at 615.613.4818.

Sincerely,

Leanne Cox  
Site Development Director  
Community and Rural Development
