

Agreement for Retirement of Canine Mojo

This agreement is made this 16, September 2019, between the Crossville Police Department, City of Crossville Tennessee and Lt. Dustin Lester, who has agreed to adopt and maintain Canine Mojo which has been his partner for several years. Canine Mojo has been trained to work with Lt. Dustin Lester and to partner with him only and is retiring due to age.

Lt. Dustin Lester understands and agrees that Canine Mojo, once retired, is no longer eligible for work as a canine officer and that, once retired, may not be activated or nor certified to work as any type of canine officer again, at any time in the future and may not be reactivated under any other department or police force, etc.

Lt. Dustin Lester agrees and understands that Canine Mojo, once retired, has no value to the Crossville Police Department or the City of Crossville. Canine Mojo must remain cared for after retirement and kept healthy. The best means to accomplish this is to allow Canine Mojo to be adopted by Lt. Dustin Lester and kept as his personal pet.

Signed:

Chief Jessie Brooks
