

ADDENDUM #2

ADDITIONAL QUESTIONS RECEIVED

May 31, 2017

The following additional questions have been received. This Addendum shall be considered part of the bid documents.

- Please refer to Page 2 of Bid Form-Base-Bid-Residential -Bulky Waste – It states “Billing shall include the date and location of the pick up”. This suggests that a separate truck would be used for this collection. Do you want this price based on a separate truck picking up only bulky items once weekly per residence? If this is the case, the cost would be much higher based on additional personnel and trucks. Can we not include this in the weekly trash collection and submit the price per home based on 3,866 homes monthly? What if most residences on a particular day have bulky items? It is not feasible for a driver to document numerous houses. Also, what do we do if the residence has no address to be found. **If you intend to pick up bulky waste in your regular trucks and consider it part of doing business, there should be no extra charge. However, if you are responding to calls for pick up of these items, then we would expect a charge with the number of items at a location be limited to 5. It is our experience that these are not regular events as we don't see these items on a regular basis at curbside. There should be no residences without an address. If the street number is not posted, then a location description should be supplied.**
- Please refer to Page 3 of Bid Form-Add Alternate Bid-Residential-Yard Waste – The first sentence says “Pick up shall be year-round per residence, is it? On the bid line (1) it says 2 times per year, (a) Are we to give you a set price billed monthly based on residents being serviced 2 times per year? If this is year round service based on the contractors set schedule, what are you asking for on-call pick up pricing on item B. and item D.? – **As discussed, we are expecting year round service. We expect two times per year to be automatic and we want the cost for that. We also want a price for any additional times outside of the scheduled two times per year when Contractor receives a request for pick up of yard waste. The bid form has been altered slightly and should be used for the bid submission.**
- Please refer to page 5 of Bid Form-Special Municipal Container (roll-off)Collection-(3.0 section C.)-Should that not be changed to roll-off rental per month – **The bid form has been revised and is attached.**
- We suggest the following bid sheets: Please see attached – **We have revised two of the bid sheets and they are attached.**

CITY OF CROSSVILLE

BID FORM

ADD ALTERNATE BID – RESIDENTIAL – YARD WASTE

(Revised Addendum #2)

Pick up shall be year-round per residence. This is for residential collection and will be billed directly to the City of Crossville on a monthly basis.

- A. Yard Waste – Leaves
raked to curbside \$_____ per home, 2 times per year
- B. On-Call Pick-ups - Leaves \$_____ per home
- C. Yard Waste – Tree Trimmings,
dead limbs, brush, etc. to be
provided year-round at curbside \$_____ per home, 2 times per year
- D. On-Call Pick-ups Brush \$_____ per home
- E. Disposal Fee \$_____ per home

Invoicing for on-call pick-ups will include date and location.

Schedules shall be published by contractor for the pick-up of yard waste during the Fall and Spring.

This bid is separate from debris and yard waste occurring from storms and other natural disasters, which shall be negotiated separately.

**MUNICIPAL COLLECTION FOR
THE CITY OF CROSSVILLE
BUILDINGS AND FACILITIES**
(Revised Addendum #2)

1.0 Collection from buildings and properties with 90-gallon cart

The City currently supplies carts to all locations. If during this contract, a cart wears out, the contractor shall furnish a new cart at no charge. These buildings will be serviced up to three (3) times per week, depending on location. The City will determine the appropriate number of times for each location. Currently, the locations and schedules are:

Location	No. of Carts	Frequency
Crossville Depot	2	1/week
Palace Theatre	2	3/week
Fire Hall #1	3	2/week
Fire Hall #2	2	2/week
City Hall	4	1/week
Police Dept	2	2/week

Collection fee per cart (per pick up) \$ _____

Disposal fee per cart (per pick up) \$ _____

Total price per cart (per pick up) \$ _____

2.0 Collection from buildings and properties with special containers

8 Yd. Dumpster Collection with collection from one (1) to six (6) days per week. The City will determine the appropriate number of times for each location. Currently, the locations and schedules are:

Location	No. of Dumpsters	Frequency
Holiday Water Plant	1	1/month
Meadow Park Water Plant	1	1/month
Centennial Park	1	2/week (March-Oct) 1/week (Nov-February)
Centennial Park	1	As needed in June/July for tournaments
Duer Soccer Complex	1	1/week (March-Oct)
Catoosa Utility Dept.	1	1/month
Public Works	1	1/month

Monthly Rental \$ _____

Monthly Collection Fee per pick up \$ _____

3.0 Special Municipal Container (roll-off) collection

The City currently does not utilize roll-off containers, but is establishing a price if they are needed.

A. Haul rate per pull \$ _____

B. Landfill fee per ton \$ _____

C. Roll-off rental per month \$ _____
