The United Fund of Cumberland County, Inc.

2014 Campaign Goal - \$365,000

Forty-seven years ago the United Fund was created to raise money to help people in our community. In the years since, through the generosity of many people and businesses we are now able to assist 37 partner agencies. With the United Fund you can be assured that your donation stays local and you are helping to build a better Cumberland County.

Our partner agencies aid the homeless, the hungry, emergencies, disasters, adult and child victims of domestic violence and sexual assault, citizens with brain disorders and disabilities, low-income families, the elderly and the county's most precious resource, our children and youth.
