Life  
Annuities

To whom it may concern:

Farm Bureau Insurance of Tennessee and the American Cancer Society have partnered together again this year for the Making Strides Against Breast Cancer campaign to help bring breast cancer awareness to Cumberland County. Last year the community helped us raise more than \$5,000.00 and we hope to do even more this year.

Our West Avenue office will be hosting a 5K Fun Run, Saturday October 1 2016. We would like permission to use Cook Road from Stone Elementary to SMHS and back as our route. The 5K starts at 8am and will last until 11:00am approx.

Thank you for your consideration. If you have any questions, please contact us at (931)484-5131
