Hey Val,

I just received this email requesting annexation on the remainder of two parcels located on the southern side of Wilson Lane.

I can get this on the December agenda if you would like to move forward with it on your end as well.

Please advise.

Thanks

Subject: Property Annexation

Good Morning Mr. Dean,

I am sending this letter regarding the recent property that my husband Brandon and I purchased to build our home. There are two tracts, parcel numbers 126 036.02 and 126 036.03. We recently had it surveyed combining it to one and are awaiting legal description from surveyor to record it.

We understand that part of our property is in the city and part in county. We are requesting that the county portion be annexed into the city to allow the entire parcel be all in the city limits.

Thank you so much for your help in this matter. I can be reached at the number below should you have any questions.

Sincerely,
Brandon and Leslie Letner
