To: Crossville Planning Commission

To whom it may concern,

I am the owner of Lots 11 and 12, Glendale Subdivision, Block A. I am requesting a variance on the additional soils testing requirement for the plat being submitted in my name, revising the line between Lots 10 and 11.

The existing field line serving the house on Lot 11 is still on my property after the change in lot line. I understand that Lot 11 will be made smaller by this lot line change, however, I also own Lot 12 and could move my septic system to that lot if the need arose. I have no intention of separating my lots by selling one lot apart from the other.

Thank you for consideration in this matter.

Respectfully submitted,

Stan Johnson
