Mr. Greg Wood and Crossville City Council:

This letter is on behalf of Christian Academy of the Cumberland (CAC) and in reference to the property on the corner of Braun St and Iris Lane. For the past 15 years, both the previous owners (Eye Centers of TN) and the current owners (City of Crossville) have been incredibly gracious allowing us to use this portion of the property for our parking lot. While we are certainly grateful for its use, we would like to pursue the purchase of this property. There are no guarantees that a future owner would be as accommodating to our school as the City of Crossville and the Eye Centers have been. This piece of property is critical and necessary for the continued operation of our school.

We are aware that there are some steps that need to be taken to make this a reality. You may call me at the number below with any questions, comments, or we will follow up soon to discuss. Thank you for your consideration and for allowing us the continued use of your property.

Sincerely,

Jon Kraus
President
