Preference :

Closing 22' Rightaway between
Dr. Hooie's property + Carl J. Coopers
Property.

I have a survey that shows the
22' Rightaway came off the
property at 80 Lee June St. There
was no part of the rightaway
from Dr. Hooie's property. I am
requesting that the 22' rightaway
be added to 80 Lee June St. and
the property line go back to the
original boundary.

The rightaway between Les Sherrill
and myself can be 50/50.

See attached copy of survey

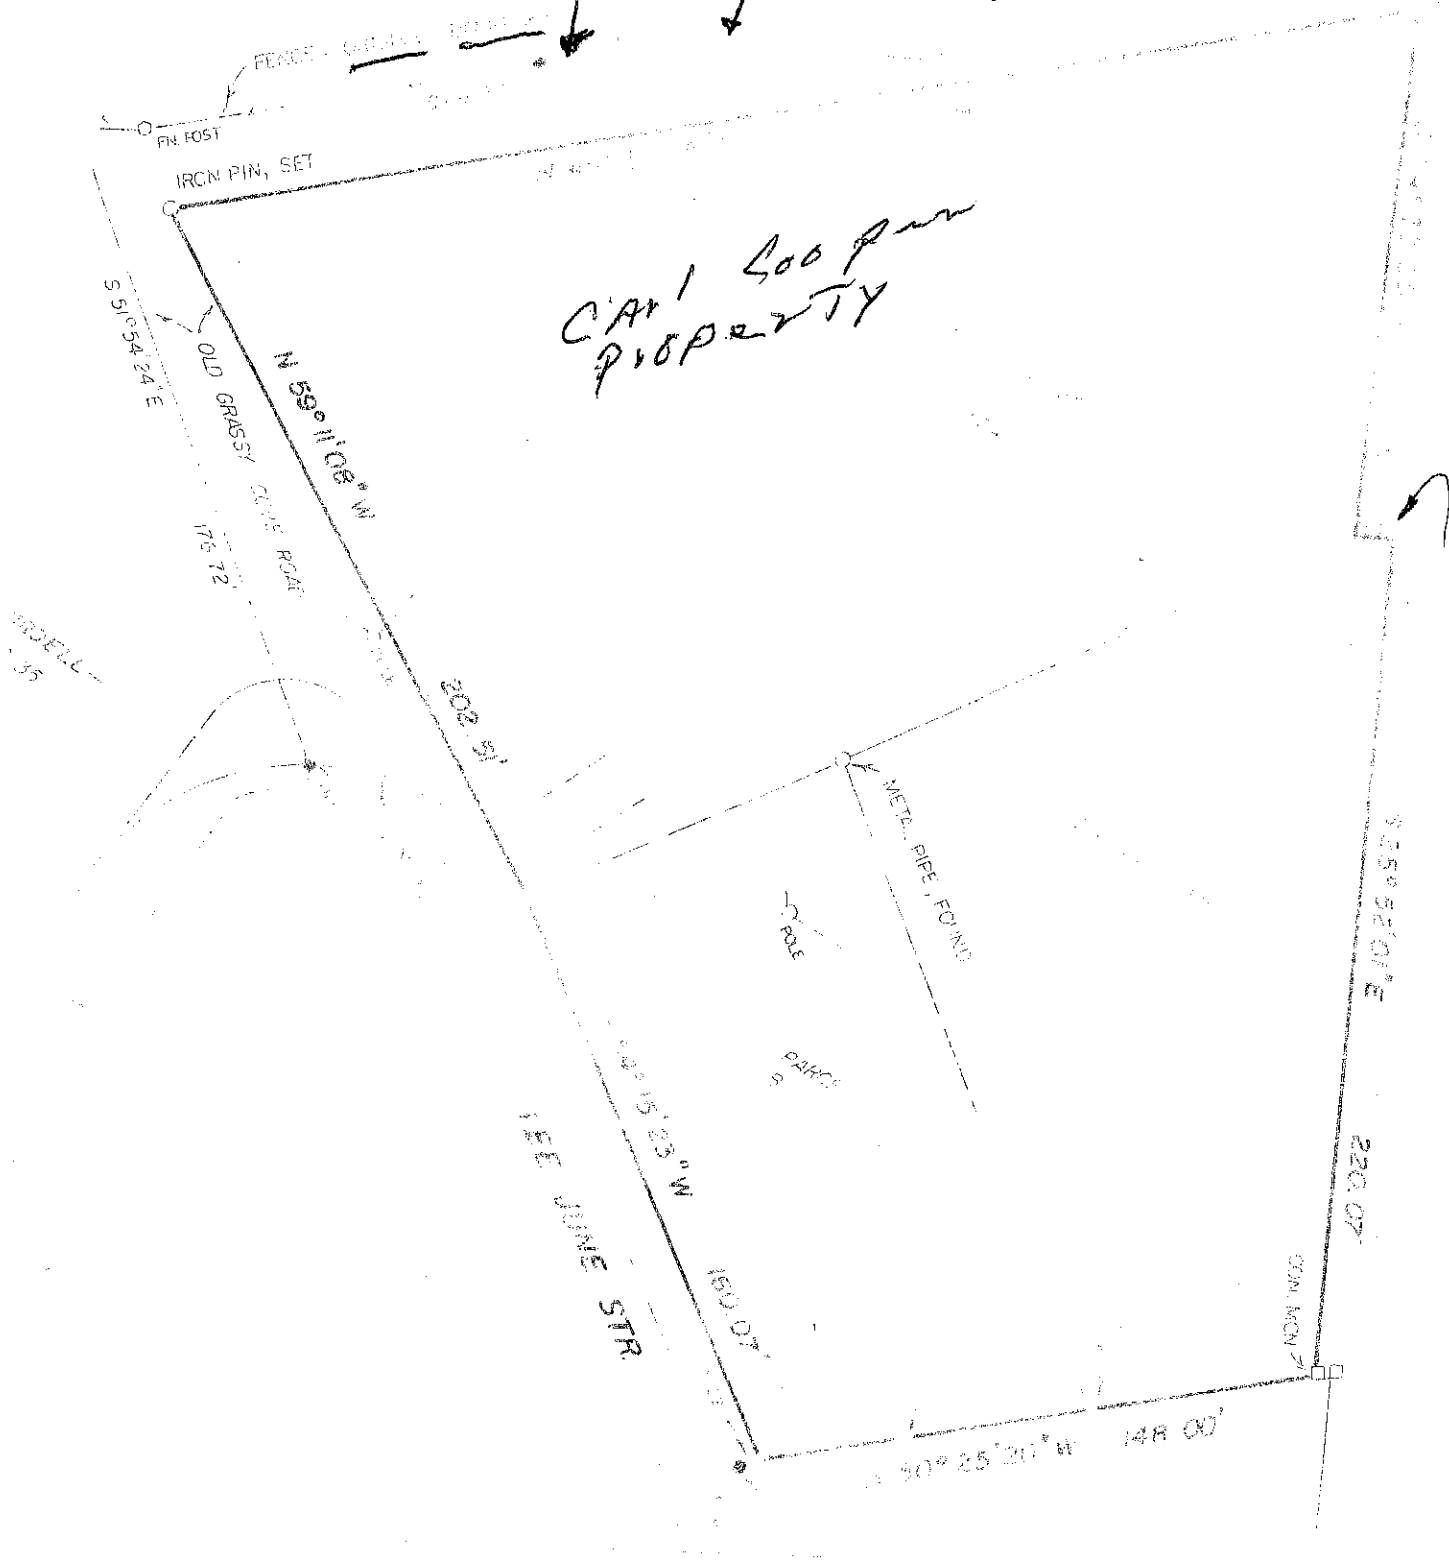

Thank You,
Carl J. Cooper

OFFICE OF THE
CITY CLERK

February 12, 2018

To Whom It May Concern:

The City owns a piece of property that is adjacent to your property located on Southbend Drive (Tax Map 113F-E-004.01). This property was reserved by the City for the use of future right-of-way development, which is no longer necessary and a request has been made to close the right-of-way. A map is enclosed for your reference.

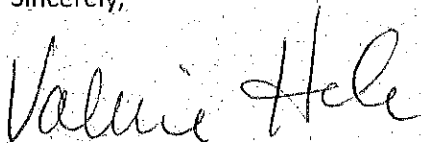

If you would like your portion of the right-of-way added to your property, please write a letter expressing your interest by March 2, 2018. If you don't respond by the deadline, the City will assume you're not interested and the property could go to an adjoining property owner. Please email your letters to valerie.hale@crossvilletn.gov or mail to:

City Clerk
392 N. Main Street
Crossville, TN 38555

If you express that you're not interested in closing the right-of-way, it is still possible the project could move forward. Once all responses have been received, the proposal to close the right-of-way will go before the Crossville Regional Planning Commission and the Crossville City Council for action. The dates of these meetings are advertised in the local newspaper/media and at www.crossvilletn.gov. You are invited to attend these meetings if you wish to express your opinion.

We appreciate your cooperation in closing the right-of-way and if you have any questions, please contact Kevin Dean at 931-456-8464 or by email at kevin.dean@crossvilletn.gov.

Sincerely,

Valerie Hale, CMC
