

RHETT SHARP

Student of the Month

September 2022

Rhett is in eighth grade. Rhett's teachers collectively stated, "we would like to nominate Rhett Sharpe. Rhett is new to Martin this year. Unfortunately, many new students come in with a chip on their shoulders or attitude. Rhett has been cooperative with all his teachers and other students in all aspects of the day. He has worked with us on being patient about textbooks and other items. He is a student-athlete and sets an excellent example to all students of cooperation and respectful to his teachers and fellow students."
